

Cell Extraction Instructor Training Program

The Office of Staff Development and Training congratulate the following employees on completing the Cell Extraction Instructor Training Program which was held at the North Carolina Justice Academy - West from September 14 – 19, 2014. This certification provides specialized certifications to instruct personnel within the Department of Public Safety / Adult Correction on the use of the Cell Extraction Techniques. This program offered the instructors an understanding of the use of force as it pertains to the use of the cell extraction techniques, legal considerations, response to injury, protective gear, camera operations and tactical approaches to control hostile inmates while ensuring officer safety and protection in the performance of their duties. This course thoroughly explained the policies and procedures that are set forth by the agency in applying these techniques during an actual cell extraction situation. During this (44) hour course, instructors completed a proficiency exam which consisted of each instructor demonstrating proficiency in the ability to perform all the required techniques and a written examination. Please join us in congratulating these instructors.....GREAT JOB!
