Other Announcements:

In 2020, due to the pandemic, the Forsyth County Reentry Council (FCRC) was unable to conduct their regularly scheduled events. Based on their Reentry Simulations, they developed a "Getting Started" resource manual to help anyone reentering the community. This manual is accompanied by a "Getting Started" bag which includes various items, such as: toiletries, notebook, pen, toothbrush, toothpaste, masks, hand sanitizer. This effort is intended to help individuals exiting jails/prisons and being served by probation/parole, Project Re-entry, Stepping Up, and other FCRC partners. Reach out to Rebecca Sauter at rsauter@ptrc.org for more information.

The Brian Hamilton Foundation wanted to share the announcement of Free Enterprise, a new national TV show on ABC starring Brian Hamilton which premieres on April 3rd. Free Enterprise follows the stories of formerly incarcerated people who want to start their own small business with Brian's guidance. Here is a 1 minute promo on the show. Check your local ABC listings in the next week for the air time in your area.
