REENTRY 2030

Successful reintegration for every person

Executive Order 303, titled ***Establishing a Unified Approach to Improving Education, Rehabilitation, and Reentry Services for Incarcerated and Formerly Incarcerated people in North Carolina***, was signed by Governor Roy Cooper on January 29, 2024.

The order directs a whole-of-government effort to achieve these goals:

1. Improve economic mobility of formerly incarcerated people by increasing the number of local reentry councils and providing access to educational, technical training, apprenticeship, work-based learning and employment opportunities pre-and post-release.
2. Improve mental and physical health by expanding access to behavioral health and substance use disorder services pre-and post-release and ensuring that all eligible incarcerated people obtain Medicaid upon release.
3. Expand housing opportunities for formerly incarcerated people.
4. Remove barriers to successful community reintegration, especially for those returning to historically underserved communities.
